1. That's the Great Commission, Ted; that's the Great Commission--My body, My blood. I told you I am I Am-ing My people. The Great Commission has been so misconstrued for so long. I am My people. I am in My people and I am I Am-ing My people with My blood, My body, My bread, My meat that you know not of, so many of you. You, Ted, have come in for the meat and now you display. You serve meat of only Me; the body, the bread; the cup, the blood, the bread; communion, communing with Me, all one, I am.
2. You are I Am because I am in you and you are part of Me and I am part of you and when I held the cup, when I took the bread, they were elements and symbols of Me. They weren't Me, they were symbols of Me. What was part of Me was in front of Me, My disciples, My men, the work of My hands, those who I knew, who knew Me, I was in relationship with, My body broken for you, My blood shed for you; My cup, My body shed for each other; each one in turn looking, handing each other the cup, the bread, the wine displaying Me; their blood, their bread, their cup honoring Me; broken and poured out before Me, before their fellowmen.
3. That's why I told you I am I Am-ing My body, and bread and wine will come to all, and **bread and wine is to come through all**, and **bread and wine is to be served by all to all**, My all in all encompassing Me, My body operating as I designed, My priesthood of all believers Melchizedek'd after Me. I love you. I give you Me.
4. **Now grasp, grasp one of the great revelations of all time, My Me broken before you, My Me being broken, My Mine being broken, My Mine broken before Me and broken before each other**. Unless a seed fall to the ground it will produce no fruit, didn't I tell you? Unless a seed fall to the ground and dies it will not produce fruit, it will not produce much fruit, it will not reproduce exponentially as My body and My blood does, those who are drink offering'd before Me. I love you. See Me. See Me in these words and the power heretofore not revealed. For babes not, for babes yes, for all who will come and sup with Me. I love you.
5. Let them scoff, let them scorn. I know I am Me and I know I am My blood and My wine, My bread, My body, cupped, fulfilling My vision for the Master's use.
6. Now all of you who are heavy laden, burdened and tired of religion and rules and wanting to be taught at My knee, **teach each other, share the words that I give you, share My bread and wine. Think not it comes through another, it comes through you My priesthood of all believers; My priesthood of all believers serving the priesthood of all believers**; not having anyone who is not in the priesthood of all believers who

believes, who believes, who will settle for no less than Me, Me Me-ing them, knowing them in intimacy in My quarters.

7. Rules not. **Labels all**. I love you. I give you Me this day. Good night.
